

Go for a  
**RESIDENTIAL**  
TRIP to...

# The Dartmoor Centres!

Parents said...

Children said...

*I had the best time ever and I learnt all about Dartmoor animals and rocks*  
Sam age 10

*I learnt that I could be brave if I wanted to*  
Ellie age 9

*We had to make our own beds, that was the tricky bit*  
Sophie age 9

*I'm very proud of myself that I got to the top because I didn't think I'd be good at climbing*

*I couldn't believe the difference in Amy, she is much more confident now*

*When Ben came back he was totally exhausted and said he hadn't missed us at all!*

*Sophie said she'd been so busy she didn't have time to get homesick*

*I know Callum must have had a great time, his clothes were filthy and he'd even changed his socks*

Your child has the opportunity to take part in a residential trip to one of the Dartmoor Centres, Pixies Holt or The Dartmoor Training Centre.

The Dartmoor Centres have been providing residential adventurous activities since the 1960's. The centres provide safe, warm and comfortable accommodation and lots of lovely healthy food. We've got lots of experience of dealing with special dietary requirements and allergies.

The residential will give your child an opportunity to learn about themselves, and their friends during their stay. They will;

- Make their own beds and keep rooms tidy
- Look after theirs and other people's things
- Be independent and responsible
- Lay tables for meal times and tidy up

They will also get to try lots of fun activities and in doing so they will;

- Develop self-confidence
- Learn new skills
- Learn about their own safety
- Learn about Dartmoor and the environment
- Have an experience they will always remember

The centres have an licence to provide Adventurous Activities issued by AALA (Licence no: L9953 /R06 16)
